
White Lake Preservation Association (WLPA) -- Annual Membership Enrollment

White Lake Preservation Association was founded in 1985 as a non-profit corporation. Its primary purpose is to maintain water quality and control excessive weed growth to make White Lake a more desirable recreational lake for people living adjacent to the lake, lake property owners, and all users of White Lake.

Please check one:

- Individual Membership - \$40
- Family Membership \$75 (includes up to two adults and any children under 18)
